RECOMMENDED CASH OFFER

for

FLYBE GROUP PLC

by

CONNECT AIRWAYS LIMITED

(a company jointly-owned by DLP Holdings S.à. r.l., Stobart Aviation Limited and Virgin Travel Group Limited, a wholly-owned subsidiary of Virgin Atlantic Limited)

Summary

- Following the announcement on 14 November 2018 and the launch of the Formal Sale Process with respect to Flybe, the Boards of Flybe and Connect Airways announce that they have reached agreement on the terms of a recommended cash offer for Flybe by Connect Airways pursuant to which Connect Airways will acquire the entire issued and to be issued share capital of Flybe.
- Under the terms of the Acquisition, Flybe Shareholders will be entitled to receive:

one (1) pence in cash for each Flybe Share

which values the entire issued and to be issued share capital of Flybe at approximately £2.2 million on the basis of the fully diluted share capital of 216,656,776 Flybe Shares.

- Cyrus, Stobart Group and Virgin Atlantic have engaged with Flybe in a collaborative due diligence process since the commencement of the Formal Sale Process, and have formulated the Offer Price after careful review of the due diligence information, the capital needs of Flybe, the challenging trading environment and prevailing market conditions.
- Concurrently with announcing the Acquisition, Cyrus, Stobart Group and Virgin Atlantic have committed to make available a £20 million bridge loan facility to support Flybe's ongoing working capital and operational requirements.
- In addition, following completion of the Acquisition, Cyrus, Stobart Group and Virgin Atlantic are intending to provide up to £80 million of further funding to the Combined Group to invest in its business and support its growth, as well as a contribution of Stobart Air.

- It is intended that the Acquisition will be effected by means of a Court-sanctioned scheme of arrangement between Flybe and the Scheme Shareholders under Part 26 of the Companies Act.
- The Acquisition is subject to a number of Conditions and further terms, including the approval of the Scheme by the Scheme Shareholders by the requisite majorities and the sanctioning of the Scheme by the Court. The Conditions are set out in full in Part A of Appendix 1 to this Announcement.

Connect Airways

- Connect Airways is a joint venture company the share capital of which is owned 40% by DLP Holdings, S.à. r.l., a company wholly-owned by funds managed by Cyrus, 30% by Stobart Aviation, a wholly-owned subsidiary of Stobart Group, and 30% by Virgin Travel Group Limited, a wholly-owned subsidiary of Virgin Atlantic, the holding company of Virgin Atlantic Airways Limited and Virgin Holidays Limited.
- It is also expected that, immediately prior to completion of the Acquisition, Connect Airways will acquire Stobart Air, Stobart Group's regional airline and aircraft leasing business. The combined group is expected to bring benefits to customers, suppliers and employees, providing stability in a tough trading environment.

Combined Group

- Cyrus, Stobart Group and Virgin Atlantic believe that combining Flybe and Stobart Air in a more integrated commercial cooperation with Virgin Atlantic's long-haul operations will create a fully-fledged UK network carrier under the Virgin Atlantic brand, alongside Stobart Air's wet lease operations and aircraft leasing business which will continue to operate as it does today.
- Such a combination would be a compelling proposition with a comprehensive regional network in the UK and Ireland coupled with an enhanced European footprint, providing greater choice and connectivity for customers to travel to destinations all over the world.
- The Acquisition will enable Flybe to benefit from committed strategic investment partners in terms of Cyrus, Stobart Group and Virgin Atlantic (through Connect Airways) and from an enhanced presence at London Heathrow Airport and Manchester Airport with potential to grow further in London Southend Airport.
- The Acquisition and combination with franchise airline, Stobart Air, will provide the Combined Group with an opportunity to increase passenger numbers at London Southend Airport, accelerating its growth for UK and European air travel.

Recommendation and support for the offer

- The Flybe Board, who have been advised by Evercore (who are providing independent financial advice to the Flybe Board for the purposes of Rule 3 of the Code) as to the financial terms of the Acquisition, considers the terms of the Acquisition to be fair and reasonable. In providing its financial advice to the Flybe Directors, Evercore has taken into account the commercial assessments of the Flybe Directors.
- Accordingly, the Flybe Directors believe that the terms of the Acquisition are in the best interests of Flybe Shareholders as a whole and **unanimously recommend that Flybe Shareholders vote in favour of the resolutions to be proposed at the Court Meeting and the Flybe General Meeting** (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure the acceptance of such Takeover Offer).

- Each Flybe Director who holds Flybe shares has irrevocably undertaken to vote in favour of the resolutions in respect of their own beneficial holdings of Flybe Shares, amounting to, in aggregate, 871,664 Flybe Shares representing approximately 0.40% of Flybe’s share capital in issue on 10 January 2019 (being the latest practicable date before the release of this Announcement).

Comment on the Acquisition

- Commenting on the Acquisition, Christine Ourmières-Widener, CEO of Flybe said:

“Flybe plays a vital role in the UK’s transport infrastructure with a UK regional network which positions it well to benefit from growing demands from long haul carriers for passenger feeder traffic. We have successfully implemented a clear strategy in recent years focused on tighter fleet management, improving revenue per seat and increasing load factors. The pursuit of operational excellence has reduced maintenance times and increased efficiencies and customer satisfaction.

“However, the industry is suffering from higher fuel costs, currency fluctuations and significant uncertainties presented by Brexit. We have been affected by all of these factors which have put pressure on short-term financial performance. At the same time, Flybe suffered from a number of legacy issues that are being addressed but are still adversely affecting cashflows.

“By combining to form a larger, stronger, group, we will be better placed to withstand these pressures. We aim to provide an even better service to our customers and secure the future for our people.”

- Commenting on the Acquisition, Warwick Brady, CEO of Stobart Group said:

“The Board of Stobart Group believes that bringing Stobart Air together with Flybe and partnering with Virgin Atlantic and Cyrus Capital is the best way for us to play an active role in UK regional flying.

"The combined entity will be a powerful combination with sufficient scale to compete effectively in the UK and European airline markets. It will allow us to continue to work with Flybe and provides an excellent opportunity to continue to grow passenger numbers at London Southend Airport."

- Commenting on the Acquisition, Shai Weiss, CEO of Virgin Atlantic said:

“The Virgin Atlantic brand is built on the foundation of putting customers at the heart of everything, providing customers with the choice they deserve and a travel experience they love.

We are pleased to have this opportunity to partner with Stobart Group and Cyrus to bring Virgin Atlantic service excellence to Flybe’s customers. Together, we can provide excellent connectivity to our extensive long haul network and that of our joint venture partner, Delta Air Lines, at London Heathrow Airport and Manchester Airport for the benefit of our customers. In the near future, this will only increase, through our expanded joint venture partnership with Air France-KLM.”.

- Commenting on the Acquisition, Lucien Farrell, Partner of Cyrus said:

"We are delighted to be working once again with the Virgin Group following our successful partnership in the launch and eventual sale of Virgin America to Alaska Airlines. We believe Flybe’s UK regional focus and high quality management, together with Virgin Atlantic’s

dedication to the best customer experience and Stobart Group's expertise in regional flying, will produce a world-class airline."

The Scheme process

- The Scheme will be put to Scheme Shareholders at the Court Meeting and the Flybe General Meeting. In order to become Effective, the Scheme must be approved by a majority in number of the holders of Scheme Shares present and voting, either in person or by proxy, representing not less than 75% in value of the Scheme Shares held by such holders. In addition, resolutions to deal with certain ancillary matters must be passed at the Flybe General Meeting to be held immediately after the Court Meeting.
- The Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and the Flybe General Meeting, together with the Forms of Proxy, will be published as soon as practicable and, in any event, within 28 days of this Announcement and that, subject to the satisfaction, or where relevant waiver, of all relevant Conditions, the Scheme will become Effective and the Acquisition completed early in Q2 2019.

Notice to US holders of Flybe Shares

The Acquisition relates to the shares of an English company and is being made by means of a scheme of arrangement provided for under English company law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition is subject to the disclosure requirements and practices applicable in the United Kingdom to schemes of arrangement which differ from the disclosure requirements of United States tender offer and proxy solicitation rules. If in the future, Connect Airways exercises the right to implement the Acquisition by way of a Takeover Offer and determines to extend such Takeover Offer into the United States, the Acquisition will be made pursuant to applicable UK tender offer rules and securities laws and otherwise in accordance with the requirements of the Code. Accordingly, any such Takeover Offer will be subject to disclosure and other procedural requirements, including with respect to withdrawal rights, offer timetable, settlement procedures and timing of payments, that are different from those applicable to tender offers made in accordance with US procedures and law. US holders of Flybe Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

Neither the SEC nor any securities commission of any state of the United States has approved the Acquisition, passed upon the fairness of the Acquisition or passed upon the adequacy or accuracy of this Announcement. Any representation to the contrary is a criminal offence in the United States.

In accordance with normal UK practice and pursuant to Rule 14e-5(b) of the US Exchange Act, Connect Airways or its nominees or brokers (acting as agents) may from time to time make certain purchases of or arrangements to purchase, Flybe Shares outside the United States, other than pursuant to the Acquisition, until the date on which the Takeover Offer and/or Scheme becomes effective, lapses or is otherwise withdrawn. RECOMMENDED CASH OFFER

for

FLYBE GROUP PLC

by

CONNECT AIRWAYS LIMITED

(a company jointly-owned by DLP Holdings S.à. r.l., Stobart Aviation Limited and Virgin Travel Group Limited, a wholly-owned subsidiary of Virgin Atlantic Limited)

1. Introduction

Following the announcement on 14 November 2018 by Flybe and the launch of the Formal Sale Process, the Boards of Flybe and Connect Airways are pleased to announce that they have reached agreement on the terms of a recommended cash offer for Flybe by Connect Airways pursuant to which Connect Airways will acquire the entire issued and to be issued share capital of Flybe.

2. The Acquisition

Under the terms of the Acquisition, Flybe Shareholders will be entitled to receive:

one (1) pence in cash for each Flybe Share

which values the entire issued and to be issued share capital of Flybe at approximately £2.2 million on the basis of the fully diluted share capital of 216,656,776 Flybe Shares.

Cyrus, Stobart Group and Virgin Atlantic have engaged with Flybe in a collaborative due diligence process since the commencement of the Formal Sale Process, and have formulated the Offer Price after careful review of the due diligence information, the capital needs of Flybe, the challenging trading environment and prevailing market conditions.

Concurrently with announcing the Acquisition, Cyrus, Stobart Group and Virgin Atlantic have committed to make available a £20 million bridge facility to support Flybe's ongoing working capital and operational requirements.

In addition, following completion of the Acquisition, Cyrus, Stobart Group and Virgin Atlantic are intending to provide up to £80 million of further funding to the Combined Group to invest in its business and support its growth, as well as a contribution of Stobart Air.

It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement between Flybe and the Scheme Shareholders under Part 26 of the Companies Act, further details of which are contained in this Announcement and will be set out in the Scheme Document.

The Acquisition is conditional upon, amongst other things, the approval of the Scheme by the Scheme Shareholders and the sanction of the Scheme by the Court. Part A of Appendix 1 to this Announcement sets out the Conditions and further terms to which the Acquisition will be subject.

3. Background to and reasons for the Acquisition

Virgin Atlantic, Stobart Group and Cyrus represent an exciting combination:

- The Virgin Atlantic brand is built on the foundation of putting customers at the heart of everything, providing customers with the choice they deserve and a travel experience they love. Virgin Atlantic's extensive long-haul network will provide enhanced connectivity for regional traffic at London Heathrow Airport and Manchester Airport;
- Stobart Group has significant aviation experience both from its own regional airline, Stobart Air, and from having successfully developed London Southend Airport. The Acquisition and combination with franchise airline, Stobart Air, will provide the Combined Group with an opportunity to increase passenger numbers at London Southend Airport, accelerating its growth for UK and European air travel; and
- Cyrus is an experienced investor in public and private airlines, including Virgin America.

The combination of Flybe and Stobart Air and a deep partnership with Virgin Atlantic will create a fully-fledged UK network carrier under the Virgin Atlantic brand, alongside the Stobart Air wet lease operations and aircraft leasing business which will continue to operate as it does today. The Combined Group will maintain Flybe's current UK regional focus, and enhance its European footprint, providing a strong foundation to secure the long-term future of Flybe, to the benefit of local communities, customers and its people.

The Combined Group intends for Flybe to continue as an independent operating carrier with a separate UK Air Operator Certificate (AOC) under the Virgin Atlantic brand. Stobart Air is intended to continue under a separate Irish AOC.

The Combined Group will operate with a single management structure benefiting from the expertise and scale of its partners.

4. Recommendation

The Flybe Directors, who have been so advised by Evercore (who are providing independent financial advice to the Flybe Board for the purposes of Rule 3 of the Code) as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its financial advice to the Flybe Directors, Evercore has taken into account the commercial assessments of the Flybe Directors.

Accordingly, the Flybe Directors **unanimously recommend that Flybe Shareholders vote in favour of the Scheme at the Court Meeting and the resolutions relating to the Acquisition at the Flybe General Meeting** (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of such Takeover Offer).

Each of Simon Laffin, Christine Ourmières-Widener, Ian Milne, Heather Lawrence and Elizabeth McMeikan have irrevocably undertaken to vote in favour of the Scheme at the Court Meeting and in favour of the resolutions relating to the Acquisition at the Flybe General Meeting in respect of their own beneficial holdings of Flybe Shares, amounting to, in aggregate, 871,664 Flybe Shares representing approximately 0.40% of Flybe's share capital in issue on 10 January 2019 (being the last practicable date before the release of this Announcement). Further details are set out in Appendix 3 to this Announcement.

Evercore has given and not withdrawn its consent to the inclusion in this Announcement of references to its advice to the Flybe Directors in the form and context in which it appears.

5. Background to and reasons for the recommendation of the Flybe Directors

The Flybe Directors have evaluated the offer by Connect Airways on behalf of the Flybe Shareholders as a whole. In deciding to recommend the Acquisition to the Flybe Shareholders, the Flybe Directors have taken into account a range of factors, including those outlined below.

Flybe plays a vital role in the UK's transport infrastructure. Since the appointment of Christine Ourmières-Widener as CEO, Flybe has implemented a clear strategy focused on tighter fleet management, improving revenue per seat performance and increasing load factors. Delivering this new strategy has required management to address several material legacy issues such as engine and aircraft contracts, which have significantly increased cash requirements.

Flybe's pursuit of operational excellence has led to a significant reduction in maintenance lead-times and higher customer satisfaction. In addition, Flybe's UK regional network positions itself well to benefit from growing demand by long-haul carriers for passenger feeder traffic, as evidenced by Flybe's growing revenues from airline partnerships.

The current broader market for air travel remains challenging for all parties. There have been a number of airlines who have gone out of business over the past year. While Flybe has made tangible progress in delivering its strategy, maintaining momentum has been hampered by the challenging market environment: Ongoing fuel and currency impacts have presented particularly significant headwinds for Flybe as has the rapid and significant tightening on Flybe's liquidity from the card acquirer market. In addition, the general economic outlook and conditions have impacted the business recently leading to a further weakening in consumer demand, affecting cash, revenues and profit adversely.

The Company's card acquirers normally pass on cash for credit card bookings for future flights, less a proportion retained as security. However they are contractually entitled to retain enough cash to ensure that they are fully secured. The Company's card acquirers have recently begun to retain significantly more cash against their exposure and this change in position has materially and rapidly weakened the Company's unrestricted cash position.

The Flybe Directors have taken into careful consideration the risks inherent to the successful execution of Flybe's business plan given these developing factors versus the opportunity that a cash bid and the offer of funding for the business provides. Such risks include further softening in demand in the short-haul market, potential for further cash flow challenges in the short-term, weather events and further adverse movements in fuel prices, sterling and customer sentiment.

On 17 October 2018, Flybe announced that, due to weak consumer demand in domestic and near-continent markets, together with higher fuel prices and a weaker sterling, the Company's profit performance would be lower than previously expected. On 14 November 2018, Flybe announced that it was undertaking a comprehensive strategic review of its options, including a potential sale of Flybe by way of a Formal Sale Process under the Code.

Following the announcement of the Formal Sale Process, Flybe received a number of expressions of interest. These expressions of interest included proposals for the acquisition of Flybe as a whole and also for parts of the business or certain assets. After initial discussions with the interested parties, Flybe shortlisted a smaller number of potential offerors to conduct initial due diligence based on a range of criteria, including deliverability, financial capability and strategic fit. The selected potential offerors were asked to submit proposals for Flybe and subsequently Flybe entered into detailed discussions with a small number of parties. These discussions have led to the current offer.

The Flybe Directors see a business combination with Connect Airways as one that will be highly attractive to Flybe's customers, employees and the wider community. Flybe's access to increased scale and significant financial resources through such a combination would deliver greater stability during times of market turbulence and enable the business to focus on profitable growth. The Flybe Directors believe that adding the long-haul network, connectivity experience, successful airline partnerships and the wet lease operations of the owners of Connect Airways will provide the opportunity to develop enhanced customer experience, optimise operational performance and accelerate partnerships with other airline operators. It also confirms Flybe's feeder capabilities at key airports including Manchester Airport and London Heathrow Airport.

The Flybe Board therefore believes that, taking into account Flybe's current difficult financial position and the expectation that the pressure on Flybe's cash flow will continue, the Acquisition and funding from Connect Airways represent the most realistic means of securing Flybe's future and deliver an attractive option for Flybe's employees, pension scheme members and creditors.

6. Irrevocable undertakings

Connect Airways has received irrevocable undertakings to vote, or procure a vote, in favour of the Scheme at the Court Meeting and the resolutions relating to the Acquisition at the Flybe General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure the acceptance of such Takeover Offer) from each of the Flybe Directors who hold Flybe Shares in respect of their own shareholdings, amounting to, in aggregate, 871,664 Flybe Shares representing approximately 0.40% of Flybe's share capital in issue on 10 January 2019 (being the latest practicable date before the release of this Announcement). The irrevocable undertakings from the Flybe Directors remain binding in the event of a competing offer being made for Flybe.

Further details of these undertakings are set out in Appendix 3 to this Announcement. Copies of the irrevocable undertakings will be on display on the investor section of Flybe's website (www.flybe.com/investors/) by no later than 12 pm on the Business Day immediately following the date of this Announcement until the Effective Date.

7. Information on Flybe

Flybe is the UK's largest regional airline and flies more UK domestic flights than any other airline: 54.9% of all UK flights within mainland Britain (excluding London). Flybe currently operates 190 routes serving 12 countries from 73 departure points in the UK (29) and Europe (44) (flown under the Flybe brand including all routes on sale November 2018 – August 2019) and is the largest scheduled airline by air traffic movements at Aberdeen, Anglesey, Belfast City, Birmingham, Cardiff, Doncaster Sheffield, Exeter, Glasgow, Isle of Man, Jersey, Manchester, Newquay, Southampton, Southend and Wick airports. Flybe operates a fleet of 76 aircraft and was recognised as the joint most punctual UK-based airline in the latest report on 'Best and Worst Airlines' issued by leading consumer watchdog Which? in January 2019.

As well as its scheduled passenger regional airline services, charter and cargo transport services and white-label flying for third party airlines, Flybe's training academy provides

pilot, crew, engineering and other training services in-house and to third parties and Flybe Aviation Services owns a maintenance, repair and overhaul facility servicing both internal and third party customers.

8. Information about Connect Airways

Connect Airways is an English limited company the share capital of which is owned 30% by Virgin Travel Group Limited, a wholly owned subsidiary of Virgin Atlantic, 30% by Stobart Aviation, a wholly-owned subsidiary of Stobart Group and 40% by DLP Holdings, a company wholly-owned by funds managed by Cyrus.

It is also expected that, immediately prior to completion of the Acquisition, Connect Airways will acquire Stobart Air's regional airline and aircraft leasing business. The Combined Group is expected to bring benefits to customers, suppliers and employees, providing stability in a tough trading environment.

The ownership of entities in the Connect Airways Group will be structured in a manner which ensures compliance with applicable European and UK aviation regulations with respect to ownership and effective control of Stobart Air (which holds an air operator certificate issued by the government of the Republic of Ireland) and Flybe (which holds an air operator certificate issued by the government of the United Kingdom).

9. Information about Stobart Group

Stobart Group is listed on the London Stock Exchange under ticker STOB. It is focused on delivering growth in its Aviation, Energy and Rail & Civils divisions. Stobart Group also holds a portfolio of infrastructure assets and investments, and aims to add value to this portfolio, selling when appropriate.

Stobart Group's Aviation division invests in, develops and operates a number of aviation-related businesses focused on meeting the growing demand for airport capacity in London and improved customer experience. The Aviation division comprises London Southend Airport, the Stobart Jet Centre, Stobart Aviation Services, and Stobart Air's wet lease operations and aircraft leasing business (until Stobart Air is acquired by Connect Airways).

10. Information about Virgin Atlantic

Virgin Atlantic is the ultimate holding company of Virgin Atlantic Airways Limited and Virgin Holidays Limited. Virgin Travel Group Limited is a wholly-owned subsidiary of Virgin Atlantic and the immediate parent company of Virgin Atlantic Airways Limited and Virgin Holidays Limited.

Virgin Atlantic Airways was founded by entrepreneur Sir Richard Branson 35 years ago with innovation and customer service at its core. Today Virgin Atlantic carries over 5 million customers annually, and was named the UK's favourite long haul carrier by Skytrax, Best Transatlantic Airline at the British Travel Awards 2017 and one of the Top 5 Airlines in the World by Airline Ratings.

Headquartered in Crawley, Virgin Atlantic employs around 10,000 people worldwide and operates a fleet of 46 aircraft serving 25 destinations across four continents. Alongside joint venture partner Delta Air Lines it operates a leading transatlantic network offering around 40 flights per day between the UK and US with onward connections to over 200 US and international cities. In 2019 Virgin Atlantic Airways Limited will take delivery of its first Airbus A350-1000 aircraft – helping to transform the fleet into one of the quietest and most fuel efficient in the sky.

On 15 May 2018 Air France-KLM, Delta Air Lines and Virgin Atlantic signed definitive agreements to combine the existing trans-Atlantic joint ventures. This transaction is in the process of regulatory clearance. Upon completion the airlines' expanded joint venture will become the preferred choice for customers travelling across the Atlantic offering the most comprehensive route network, convenient flight schedules, competitive fares and reciprocal frequent flyer benefits, including the ability to earn and redeem miles across all carriers. Customers will also benefit from the co-location of facilities at key airports to improve connectivity and access to each carrier's airport lounges for premium passengers.

11. Information about Cyrus

Cyrus was founded in 1999 and has offices in New York and London, managing over \$4.4 billion on a global basis in securities and loans issued by corporates and sovereigns. Its client base is predominantly endowments, foundations and family offices with a significant portion of the assets under management being partner and employee capital.

12. Intentions with respect to Flybe's management, employees and business

Following the Acquisition, the Combined Group intends to focus on three principal areas:

- (a) simplifying and focusing on improving the performance of Flybe's core network whilst recognising the importance of regional connectivity;
- (b) adjusting Flybe's network to improve connectivity with Virgin Atlantic's long-haul network, particularly at London Heathrow Airport and Manchester Airport, bringing more choice to customers; and
- (c) operating the Combined Group as an independent company, and optimising the combined commercial, operational and functional expertise and scale of Virgin Atlantic and the Stobart Group.

Optimising the Network and Improving Connectivity

The Combined Group plans to optimise Flybe's network and operations to focus on key routes with the aim of continuing to enhance regional connectivity across the UK and Ireland.

The Combined Group also intends to bring benefits for customers through linking an enhanced Flybe regional network with Virgin Atlantic's long-haul operations particularly at Manchester Airport and London Heathrow Airport.

Leveraging the expertise of Flybe, Stobart Group and Virgin Atlantic

Through the combination of Flybe and Stobart Air, and partnering with Virgin Atlantic, the Combined Group intends to continue as an independent operating carrier with a separate UK Air Operator Certificate ("AOC") under the Virgin Atlantic brand. Stobart Air is intended to continue under a separate Irish AOC with its franchise and aircraft leasing operations as exists today.

The Combined Group intends to operate independently of Virgin Atlantic with only support functions having some overlap. The Combined Group intends to maintain separate teams for Flybe's pilots and cabin crew. Flybe and Stobart Air will operate under a single management team, with commercial and back office support staff being integrated into a single team. This will include reducing or removing any unnecessary overlap, including any operating costs associated with being a listed company. The detailed plans for such integration are not yet known but the planning exercise will commence immediately after the Acquisition and will include plans to retain the best talent across the Combined Group. The Combined Group attaches great importance to the skills and experience of Flybe's and Stobart Air's employees but acknowledges that the proposals will likely involve some headcount reduction where there are duplicate roles and functions.

There are no plans to materially change the overall balance of skills and functions across the Combined Group. There is no research and development function at either Flybe or Stobart Air and the Combined Group does not intend to create one following the Acquisition. There is a limited research and development function at Virgin Atlantic; however no impact is expected on it as a result of the Acquisition.

The Combined Group confirms that, following implementation of the Acquisition, the existing contractual and statutory employment rights, including in relation to pensions, of all Flybe's, Virgin Atlantic's and Stobart Air's employees will be honoured.

Locations and Fixed Assets for the Combined Group

As part of the integration process, the Combined Group will consider the most appropriate locations for the headquarters and engineering centre. However, it is expected that the Combined Group will maintain a material presence at each of Flybe's existing Exeter headquarters and Stobart Air's Dublin headquarters.

In addition, the Combined Group intends to maintain people and presence at the airports at which Flybe, Stobart Air and Virgin Atlantic have operations, subject to changes arising from any alterations to the network.

The network and route optimisation will likely include a limited reduction in the number of Flybe's aircraft to right size the fleet for the Combined Group going forward.

Rebranding

All flying operations except Stobart Air will operate under the Virgin Atlantic brand to the extent possible. This will be timed to coincide with a refurbishment programme for Flybe's fleet to provide a seamless customer experience in keeping with Virgin Atlantic's heritage.

There will be no change to the brands under which Stobart Air flies today which will continue to be maintained and operated separately.

Defined benefit pensions scheme

Flybe operates the British Regional Airlines Group Pension Scheme (the "**BRAG**") which is a defined benefit occupational pension scheme. The BRAG is closed to all new members with no employees accruing further benefits under the BRAG. The Scheme is currently administered by a corporate trustee, BRAL Trustees (IOM) Limited (the "**Trustee**").

Connect Airways has engaged with the Trustee to discuss ongoing scheme funding following the Acquisition, and has agreed in principle to a package of measures which will increase employer contributions, and is designed in the view of Connect Airways and the Trustee to provide sustainable funding for the BRAG post Acquisition and eliminate the Scheme's deficit over time. In particular it has been agreed in principle:

- (a) to bring forward the BRAG's actuarial valuation from 31 March 2019 to 31 December 2018 in order that a new schedule of contributions and recovery plan may be put in place within good time following the Acquisition;
- (b) that contributions payable by Flybe Limited to the BRAG for the first three years following the effective date of the new schedule of contributions and recovery plan will increase to £3 million per annum, with payments of at least £4.5 million per annum in the following years of the recovery plan (in both cases payable in equal monthly instalments);
- (c) that Connect Airways will guarantee the payment of the first three years of employer contributions (£9 million) into the BRAG; and
- (d) that the Scheme will have the benefit of a first ranking charge over a property post-completion of the Acquisition.

Money purchase pension scheme

Flybe operates a money purchase pension arrangement for current and new employees in compliance with automatic enrolment legislation. There is no intention to make any changes to the contributions payable under this arrangement other than to allow the arrangement to continue to be compliant with automatic enrolment requirements.

Directors

Upon completion of the Acquisition, it is proposed that the Flybe Non-Executive Directors will be asked to resign from the Board and will be replaced by directors appointed by Connect Airways.

Interim funding to support future growth

Concurrently with announcing the Acquisition, Cyrus, Stobart Group and Virgin Atlantic have committed to make available a £20 million bridge loan facility to support Flybe's ongoing working capital and operational requirements, the terms of which are described further at paragraph 19(d) below.

In addition, following completion of the Acquisition, Cyrus, Stobart Group and Virgin Atlantic are intending to provide up to £80 million of further funding to the Combined Group to invest in its future business and support its growth, as well as the contribution of Stobart Air.

No statements in this paragraph 12 constitute "post-offer undertakings" for the purposes of Rule 19.5 of the Code.

13. Flybe Share Schemes

The Acquisition will extend to any Flybe Shares which are unconditionally allotted or issued before the Scheme Record Time, including those allotted or issued as a result of the exercise of options or vesting of awards under the Flybe Share Schemes.

The Scheme will not extend to Flybe Shares issued after the Scheme Record Time. However, it is proposed to amend Flybe's articles of association at the Flybe General Meeting to provide that, if the Scheme becomes Effective, any Flybe Shares issued to any person after the Scheme Record Time (including in satisfaction of an option exercised under one of the Flybe Share Schemes) will be automatically transferred to Connect Airways in consideration for the payment by Connect Airways to such persons of 1 pence in cash for each Flybe Share so transferred.

14. Financing of the Acquisition

The cash consideration payable by Connect Airways to Flybe Shareholders under the Acquisition will be financed through cash resources of Connect Airways, raised through an issue of shares in Connect Airways to DLP Holdings, Stobart Aviation and Virgin Atlantic prior to completion of the Acquisition.

Barclays, as financial advisor to Connect Airways, is satisfied that resources available to Connect Airways are sufficient to satisfy in full the cash consideration payable to Flybe Shareholders under the terms of the Acquisition.

15. Structure and Conditions of the Acquisition

It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement of Flybe under Part 26 of the Companies Act.

The purpose of the Scheme is to provide for Connect Airways to become the owner of the entire issued and to be issued share capital of Flybe. In order to achieve this, the Scheme Shares will be transferred to Connect Airways under the Scheme. In consideration for this transfer, the Scheme Shareholders will receive cash on the basis set out in paragraph 2 of this Announcement. The transfer to Connect Airways of the Scheme Shares will result in Flybe becoming a wholly-owned subsidiary of Connect Airways.

The Scheme requires approval by Scheme Shareholders by the passing of a resolution at the Court Meeting. This resolution must be approved by a majority in number of the holders of Scheme Shares present and voting, either in person or by proxy, representing not less than 75% in value of the Scheme Shares held by such holders. In addition, resolutions to deal with certain ancillary matters must be passed at the Flybe General Meeting to be held immediately after the Court Meeting.

The Scheme must also be sanctioned by the Court. Any Scheme Shareholder is entitled to attend the Scheme Court Hearing in person or through counsel to support or oppose the sanctioning of the Scheme. The Scheme will only become Effective upon delivery to the Registrar of Companies of a copy of the Scheme Court Order.

The Scheme is also subject to certain Conditions and certain further terms referred to in Appendix 1 of this Announcement and to be set out in the Scheme Document. The Conditions in Appendix 1 provide that the Acquisition will lapse if, amongst other things:

- (a) the Court Meeting and Flybe General Meeting are not held on or before the 22nd day after the expected date of the meetings, which will be set out in the Scheme Circular in due course (or such later date as may be agreed by Flybe and Connect Airways);
- (b) the Scheme Court Hearing is not held on or before the 22nd day after the expected date of the hearing, which will be set out in the Scheme Document in due course (or such later date as may be agreed by Flybe and Connect Airways); or
- (c) the Scheme does not become Effective by the Long Stop Date (or such later date as may be agreed by Flybe and Connect Airways),

provided that these deadlines may be waived by Connect Airways.

The Acquisition is also conditional upon there not being any Phase 2 CMA Reference or Phase 2 European Commission Proceedings, which are terms of the Acquisition which cannot be waived by Connect Airways. The Acquisition is also conditional upon:

- (a) in the event that the Flybe Group ceases to be able to maintain its operating licence issued pursuant to Regulation (EC) No 1008/2008 of the European Parliament and of the Council of 24 September 2008 as a result of the UK ceasing to be a member state of the European Union, that Flybe Group is able to obtain any operating licence or any equivalent authorisation in the United Kingdom;
- (b) the Civil Aviation Authority not revoking or not suspending Flybe Group's operating licence issued pursuant to Regulation (EC) No 1008/2008 of the European Parliament and of the Council of 24 September 2008 or any equivalent or replacement authorisation in the United Kingdom; and
- (c) no member of the wider Flybe Group taking steps or having steps taken against them for their winding-up or for the commencement of any other insolvency related process,

and each of these conditions is capable of being waived by Connect Airways.

Once the Scheme becomes Effective, it will be binding on all Scheme Shareholders, whether or not they voted at the Court Meeting and the Flybe General Meeting and, if they did vote, whether or not they voted in favour of or against the resolutions proposed at those meetings.

The terms of the Scheme will provide that the Flybe Shares will be acquired under the Scheme fully paid and free from all liens, equitable interests, charges, encumbrances, options, rights of pre-emption and any other third party rights or interests of any nature whatsoever

and together with all rights attaching thereto, including the right to receive and retain all dividends and other distributions and returns of value declared, paid or made after the Effective Date.

The Offer Price has been agreed by the Flybe Board and Connect Airways on the basis that no dividend for the financial year ending 31 March 2019 will be paid by Flybe to Flybe Shareholders.

If any dividend or other distribution or return of value is proposed, declared, made, paid or becomes payable by Flybe in respect of a Flybe Share on or after the date of this Announcement and prior to the Scheme becoming Effective, Connect Airways will have the right to reduce the value of the consideration payable for each Flybe Share by up to the amount per Flybe Share of such dividend, distribution or return of value except where the Flybe Share is or will be acquired pursuant to the Scheme on a basis which entitles Connect Airways to receive the dividend, distribution or return of value and to retain it.

If any such dividend, distribution or return of value is paid or made after the date of this Announcement and Connect Airways exercises its rights described above, any reference in this Announcement to the consideration payable under the Scheme shall be deemed to be a reference to the consideration as so reduced. Any exercise by Connect Airways of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme.

Connect Airways reserves the right, subject to the prior consent of the Panel, to elect to implement the acquisition of the Flybe Shares by way of a Takeover Offer. In such event, such Takeover Offer will be implemented on the same terms (subject to appropriate amendments as described in Part 2 of Appendix 1), so far as applicable, as those which would apply to the Scheme. Furthermore, if such Takeover Offer is made and sufficient acceptances of such offer are received, when aggregated with Flybe Shares otherwise acquired by Connect Airways, it is the intention of Connect Airways to apply the provisions of section 979 of the Companies Act to acquire compulsorily any outstanding Flybe Shares to which such Takeover Offer relates.

16. Acquisition of Stobart Air

Connect Airways proposes to enter into two conditional agreements on or about the date of this Announcement with Stobart Aviation to effect the acquisition of Stobart Air.

Completion of these acquisition agreements is expected immediately prior to the completion of the Acquisition.

17. De-listing and re-registration

It is intended that the last day of dealings in, and for registration of transfers of, Flybe Shares (other than the registration of the transfer of the Scheme Shares to Connect Airways pursuant to the Scheme) will be the last Business Day prior to the Effective Date, following which all of Flybe's Shares will be suspended from the Official List and from trading on the London Stock Exchange's Main Market for listed securities, and Flybe Shares will be disabled in CREST.

After the Scheme Record Time and before the Scheme becomes Effective, entitlements to Flybe Shares in CREST will be cancelled and such entitlements materialised. On the Effective Date, all share certificates in respect of Flybe will cease to be valid and should be destroyed.

Flybe Shares are currently listed on the Official List and admitted to trading on the London Stock Exchange.

Subject to the Scheme becoming Effective, application will be made to the UK Listing Authority for the cancellation of the standard listing of the Flybe Shares on the Official List and to the London Stock Exchange for the cancellation of the admission to trading of Flybe Shares on the London Stock Exchange's Main Market for listed securities. It is expected that such de-listing and cancellation of admission to trading would take effect on the Business Day after the Effective Date.

If the Scheme is sanctioned, any Flybe Shares held in treasury will be cancelled prior to the Scheme becoming Effective.

It is intended that as soon as possible after the Effective Date, Flybe will be re-registered as a private limited company under the relevant provisions of the Companies Act and Flybe Shareholders will be asked to approve this during the Flybe General Meeting.

18. Disclosure of interests in Flybe Shares

The following persons acting in concert with Connect Airways hold interests, short positions and rights to subscribe (including directors' and other employee options) in Flybe Shares:

Director	Number of Ordinary Shares Held	Percentage of Issued Share Capital
Warwick Brady and his close relatives	16,666	0.0077%

Save as set out above and in respect of the irrevocable undertakings referred to in paragraph 6, as at the close of business on 10 January 2019, being the latest practicable date before the release of this Announcement, neither Connect Airways, nor any of the Connect Airways Directors, nor, so far as Connect Airways is aware, any person acting in concert (within the meaning of the Code) with Connect Airways has:

- any interest in, or right to subscribe for, any Flybe Shares nor does any such person have any short position in Flybe Shares, including any short position (whether conditional or absolute and whether in the money or otherwise), any short position under a derivative, any agreement to sell, any delivery obligation or right to require another person to purchase or take delivery of Flybe Shares or any dealing arrangement of the kind referred to in Note 11 of the definition of acting in concert in the Code;
- borrowed or lent any Flybe Shares or entered into any financial collateral arrangements relating to Flybe Shares; or
- procured an irrevocable commitment or letter of intent in respect of Flybe Shares to vote in favour of the Scheme or accept any Takeover Offer.

Furthermore, no arrangement exists between Connect Airways and Flybe or any person acting in concert with Connect Airways or Flybe in relation to Flybe Shares. For this purpose, "arrangement" includes any indemnity or option arrangement, any agreement or understanding, formal or informal, of whatever nature relating to Flybe Shares which may be an inducement to deal or refrain from dealing in such securities.

19. Offer-related arrangements

(a) *Confidentiality Agreement with Stobart Group and Cyrus*

Stobart Group, Cyrus and Flybe entered into a confidentiality agreement on 3 November 2018 (the "**Stobart and Cyrus Confidentiality Agreement**") pursuant to

which Stobart Group and Cyrus have undertaken to keep confidential information relating to Flybe and not to disclose it to third parties (other than to permitted discloseses) unless required by law or regulation.

The Stobart and Cyrus Confidentiality Agreement also contains undertakings from Stobart Group and Cyrus that until Tuesday 30 April 2019, neither Stobart Group nor Cyrus shall, without the prior written consent of Flybe and except pursuant to the Acquisition, acquire or offer to acquire any interest in securities of Flybe and that for a period of 12 months from the date of the Stobart and Cyrus Confidentiality Agreement neither Stobart Group nor Cyrus shall solicit any senior person or pilot of Flybe, subject to customary carve-outs. These confidentiality obligations will cease to have effect on completion of the Acquisition. If the Acquisition does not complete, the confidentiality obligations shall remain in force for a period of two years from the date of the Stobart and Cyrus Confidentiality Agreement.

(b) *Confidentiality Agreement with Virgin Atlantic*

Flybe and Virgin Atlantic entered into a confidentiality agreement on 8 November 2018 (the "**Virgin Atlantic Confidentiality Agreement**"), pursuant to which Flybe and Virgin Atlantic have mutually undertaken to keep information relating to the other party confidential and not to disclose it to third parties (other than permitted recipients) save to the extent required by law or otherwise permitted in the agreement. The confidentiality obligation will remain in force until the Acquisition becomes unconditional in all respects.

(c) *Cooperation Agreement*

Flybe and Connect Airways have entered into the Cooperation Agreement pursuant to which, among other things, they have agreed:

- Connect Airways will provide Flybe with such information as may be necessary for Flybe to prepare the Scheme Document;
- to implement certain proposals with regards to the Flybe Share Schemes; and
- to cooperate with each other and to provide such information as may be necessary to obtain any required regulatory clearances.

The Cooperation Agreement records the intention of Flybe and Connect Airways to implement the Acquisition by way of the Scheme, subject to the ability of Connect Airways to proceed by way of a Takeover Offer in certain circumstances, subject to the consent of the Panel.

- the Flybe Meetings are not held on or before the 22nd day after the expected date of such meeting as set out in the Scheme Document (or such later date as may be agreed in writing between the parties with the consent of the Panel and, if required, the approval of the Court);

It is a condition of the Bridge Facility Agreement that a firm of accountants is appointed as an independent monitor who will be granted full access to Flybe's systems and working capital information.

The Bridge Facility Agreement contains a number of conditions precedent, including that Flybe concludes agreements with its card acquirers / bankers in relation to normalising the operation of Flybe's merchant services facilities.

The Joint Bid Agreement also records the certain commercial terms with respect to the funding, structure and operations of the Combined Group which Cyrus, Stobart

Group and Virgin Atlantic have agreed between them and which will be documented more fully prior to completion of the Acquisition.

The Joint Bid Agreement will terminate if:

These purchases and activities by exempt principal traders which are required to be made public in the United Kingdom pursuant to the Code will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com. This information will also be publicly disclosed in the United States to the extent that such information is made public in the United Kingdom.

Overseas jurisdictions

The release, publication or distribution of this Announcement in or into jurisdictions other than the United Kingdom may be restricted by law and therefore any persons who are subject to the laws of any jurisdiction other than the United Kingdom should inform themselves about, and observe, any applicable legal or regulatory requirements. In particular, the ability of persons who are not resident in the United Kingdom to vote their Flybe Shares with respect to the Scheme at the Court Meeting and the Flybe General Meeting, or to execute and deliver forms of proxy appointing another person to vote at the Court Meeting or the Flybe General Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located. Any failure to comply with the applicable restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person. This Announcement has been prepared for the purpose of complying with English law, the rules of the London Stock Exchange and the Code and the information disclosed may not be the same as that which would have been disclosed if this Announcement had been prepared in accordance with the laws of jurisdictions outside of England & Wales.

Unless otherwise determined by Connect Airways or required by the Code, and permitted by applicable law and regulation, the Acquisition will not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Acquisition by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this Announcement and any formal documentation relating to the Acquisition are not being, and must not be, directly or indirectly, mailed, transmitted or otherwise forwarded, distributed or sent in or into or from any Restricted Jurisdiction or any other jurisdiction where to do so would constitute a violation of the laws of that jurisdiction, and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send such documents in or into or from any Restricted Jurisdiction. Notice to US holders of Flybe Shares

The Acquisition relates to the shares of an English company and is being made by means of a scheme of arrangement provided for under English company law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition is subject to the disclosure requirements and practices applicable in the United Kingdom to schemes of arrangement which differ from the disclosure requirements of United States tender offer and proxy solicitation rules. If in the future, Connect Airways exercises the right to implement the Acquisition by way of a Takeover Offer and determines to extend such Takeover Offer into the United States, the Acquisition will be made pursuant to applicable UK tender offer rules and securities laws and otherwise in accordance with the requirements of the Code. Accordingly, any such Takeover Offer will be subject to disclosure and other procedural requirements, including with respect to withdrawal rights, offer timetable, settlement procedures and timing of payments, that are different from those applicable to tender offers made in accordance with US procedures and law. Financial information included in this Announcement and the Scheme Document has been or will be prepared in accordance with accounting standards applicable in the United Kingdom that may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

It may be difficult for US holders of Flybe Shares to enforce their rights and any claim arising out of the US federal securities laws, since Flybe is located in a non-US jurisdiction, and some or all of its officers and directors may be residents of a non-US jurisdiction. US holders of Flybe Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

Neither the SEC nor any securities commission of any state of the United States has approved the Acquisition, passed upon the fairness of the Acquisition or passed upon the adequacy or accuracy of this Announcement. Any representation to the contrary is a criminal offence in the United States.

In accordance with normal UK practice and pursuant to Rule 14e-5(b) of the US Exchange Act, Connect Airways or its nominees or brokers (acting as agents) may from time to time make certain purchases of or arrangements to purchase, Flybe Shares outside the United States, other than pursuant to the Acquisition, until the date on which the Takeover Offer and/or Scheme becomes effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the UK, will be reported to an RIS and will be available on the London Stock Exchange website.

A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8 of the Code. A Dealing Disclosure by a person to whom Rule 8.3(b) of the Code applies must be made by no later than 3.30 pm (London time) on the Business Day following the date of the relevant dealing.

Connect Airways shall be under no obligation to waive or treat as fulfilled any of the Conditions which are capable of being waived by a date earlier than the latest date specified above in Condition 1 for the fulfilment or waiver thereof, notwithstanding that any such Condition or other Conditions of the Acquisition may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.

To the extent permitted by law and subject to the requirements of the Panel, Connect Airways reserves the right in its sole discretion to waive (if capable of waiver) in whole or part all or any of the above Conditions 3(a) (*Merger Clearances*) to (m) (*No discovery of certain matters regarding information and corruption*) of Part A (inclusive).

Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.

The Scheme will not proceed if the CMA makes a Phase 2 CMA Reference in respect of the Acquisition or the European Commission either initiates Phase 2 European Commission Proceedings in respect of the Acquisition or makes a referral of any part of the Acquisition to a competent authority of the UK under Article 9(1) of the EU Merger Regulation and there is subsequently a Phase 2 CMA Reference in respect of the Acquisition before the date of the Court Meeting. In such event neither Flybe, Connect Airways nor any Flybe Shareholder will be bound by any term of the Scheme.

Part B: Certain further terms of the Acquisition

1. Connect Airways reserves the right to elect to implement the Acquisition by way of a Takeover Offer. In such event, such offer will be implemented on the same terms and conditions (or, if Connect Airways otherwise determines and subject to the consent of the Panel) as the Scheme, subject to appropriate amendments to reflect the change in method of effecting the Acquisition, which may include changing the consideration structure under the terms of the Acquisition and (without limitation and subject to the consent of the Panel) an acceptance condition set at 75% (or such lesser percentage, being more than 50% as Connect Airways may decide) of the voting rights then exercisable at a general meeting of Flybe, including, for this purpose, any such voting rights attaching to Flybe Shares that are unconditionally allotted or issued, and to any Treasury Shares which are unconditionally transferred or sold by Flybe, before the Takeover Offer becomes or is declared unconditional as to acceptances, whether pursuant to the exercise of any outstanding subscription or conversion rights or otherwise.
2. If Connect Airways is required by the Panel to make an offer for Flybe Shares under the provisions of Rule 9 of the Code, Connect Airways may make such alterations to the Conditions and certain further terms of the Acquisition as are necessary to comply with the provisions of that Rule.

3. The Acquisition, the Scheme and the Forms of Proxy and any dispute or claim arising out of, or in connection with, them (whether contractual or non-contractual in nature) will be governed by English law and will be subject to the jurisdiction of the Courts of England.
4. The Flybe Shares shall be acquired with full legal title and beneficial ownership by Connect Airways fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third party rights and interests whatsoever and together with all rights existing at the Effective Date or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the Effective Date in respect of the Flybe Shares. If any dividend or other distribution or return of value is proposed, declared, made, paid or becomes payable by Flybe in respect of a Flybe Share on or after the date of this Announcement and prior to the Effective Date, Connect Airways will have the right to reduce the value of the consideration payable for each Flybe Share by up to the amount per Flybe Share of such dividend, distribution or return of value except where the Flybe Share is or will be acquired pursuant to the Scheme on a basis which entitles Connect Airways to receive the dividend, distribution or return of value and to retain it. If any such dividend or distribution or return of value is paid or made after the date of this Announcement and Connect Airways exercises its rights described above, any reference in this Announcement to the consideration payable under the Scheme shall be deemed to be a reference to the consideration as so reduced. Any exercise by Connect Airways of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme.
5. Under Rule 13.5 of the Code, Connect Airways may not invoke a Condition so as to cause the Acquisition not to proceed, or to lapse, or to be withdrawn, unless the circumstances which give rise to the right to invoke the Condition are of material significance to Connect Airways in the context of the Acquisition. Condition 1, 2 and 3(a) of Part A are not subject to this provision of the Code.
6. Connect Airways reserves the right for any other entity directly or indirectly owned by Connect Airways from time to time to implement the Acquisition.
7. The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws of relevant jurisdictions. Therefore any persons who are subject to the laws of any jurisdiction other than the United Kingdom and any Flybe Shareholders who are not resident in the United Kingdom will need to inform themselves about and observe any applicable requirements.
8. Unless otherwise determined by Connect Airways or required by the Code and permitted by applicable law and regulations, the Acquisition is not being, and will not be, made, directly or indirectly, in, into or by the use of the mails of, or by any other means or instrumentality (including, but not limited to, facsimile, email or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any Restricted Jurisdiction and will not be capable of acceptance by any such use, means, instrumentality or facility or from or within any Restricted Jurisdiction.
